MONTGOMERY COUNTY BUSINESS TANGIBLE PROPERTY RETURN INSTRUCTIONS

What is this form? This is your Business Tangible Property declaration on which you are to file all furniture, fixtures, light and heavy equipment, computer equipment or vehicles used in a trade or business. Manufacturing Equipment used in manufacturing, mining, radio or television broadcasting, dry cleaning, commercial laundry or motor vehicle cleaning businesses are to be listed and segregated as a separate class. (VA Code Sec. 58.1-3507)

What should I do with it? Follow the instructions for each box where applicable. You need to provide a complete list of all property used in your business. The list should include the name of the item, acquisition date and cost (even if fully depreciated or expensed off for federal income tax purposes). In the event there was no cost for acquisition, please provide an estimate of fair market value at the time of acquisition. Google can be very helpful by searching the name of the item and original year purchased.

What happens if I do nothing? If no information is provided, the Commissioner of the Revenue is required by law to assess property based on the best information available, which will result in a tax bill due. This is called a statutory assessment (VA Code Sec. 58.1-3519).
